Birth

Rainheart sat in the nursery, and kept feeling kicking in her stomach, while the medicine cat, Stormfeather, gave her poppy seeds and jupiner berries, she felt a little better but just then an unbearable pain hit her and 2 kits slid out. One a grey tom and the other a yellow she-cat. "What will you name them?" Stormfeather asked "That one will be," she pointed at the yellow she-cat "Sunkit, and the other will be Thunderkit" she said proudly...

Nursery Life

Thunderkit stumbled out of the vine entrance of the nursery, happy to finally be out of the nursery. He then walked over to his favorite warrior, Talltail, and said hi. "What are you doung out of the nursery Thunderkit?" Talltail asked "Rainheart let me out finally, and I wanted to see my favorite warrior!" Thunderkit replied back, boastfully and with his head held high. Thunderkit launched himself at Talltail and jumped on his back rolling around on him. Thunderkit knew Talltail was his father and Rainheart was his mother and they were from Windclan. "Okay, that's enough Thunderkit" Talltail said as he put him down on the ground. "Bye Talltail!" Thunderkit called as he raced back into the nursery, and back to Rainheart.

Badgers

Thunderkit was playing around in the nursery with Sunkit, having fun, when Sandgorse, Talltail's father, raced into the clearing yowling, "Badgers! Badgers! They're coming!" Talltail jumped up and raced out of Thunderkit's line of sight. Thunderkit tried to follow but Rainheart pulled him back. When she did a headcount, Thunderkit quietly slipped out of her grasp, and sat in the shadows. He heard smashing into he clearing and saw a huge shape of a badger burst into the clearing and it cocked its head at the nursery and ran towards it. "THUNDERKIT!!!" Rainheart screamed noticing him at the entrance, the other queens held her back while she struggled and finally gave up. Thunderkit ran at the badger and slipped underneath it, jumped onto its back and began cutting its throat. Blood sprayed onto the floor as the badger slowly crashed to the floor. Letting out a faint snarl before going silent. Talltail stepped out of the dust, with his jaw open. "How- but- y-" he stammered. Thunderkit grinned at him. Heatherstar, the leader of Windclan said "He's a hero! He killed the badger!"

Warriorship

Thunderpaw sat beneath the highrock, grinning proudly at his father. "I, Tallstar, call upon Starclan to see this apprentice, he has trained harder than any apprentice I have ever seen and I trust you will lead him on the right path." Tallstar bent down to touch noses with Thunderpaw and said "Do you promise to uphold the warrior code and defend your clan, even at the cost of your life?" "I do" Thunderpaw said proudly. "Then I, Tallstar, leader of Windclan, give you your warrior name, your name will be Thunderfur." Thunderfur grinned, showing off thorn-sharp teeth. "*Thunderfur!" "Thunderfur!"* The rest of the clan shouted his name. Tallstar turned to him, "And you can now have your own apprentice too! Thunderfur, you will have Barkpaw as an apprentice." Thunderfur touched noses with Barkpaw and they turned, as the clan yowled in joy...

Clan Losses

Thunderfur was training his apprentice after a moon of having him. On a patrol they scented Riverclan warriors and spotted intruders, who just spotted them "Run back!" Thunderfur shouted to his apprentice "Go warn the clan! I'll hold them off!" Thunderfur ensured his apprentice left his sight and he turned towards Leopardstar and her warriors. "You've not business here Leopardstar, leave at once!" "Oh but I do have business here, step aside Thunderfur." "That's not happening Leopardstar!" He yowled as he sprung himself into the pack of cats. Thunderfur took down 3 cats immediately as he entered the pack of cats, he turned and saw a cat launching himself at Thunderfur. Thunderfur quickly grabbed the cat and flung him across the plains where he landed with a thud. "Who's next?" Thunderfur asked as he turned towards the pack of cats. After taking down 9 more warriors he finally got knocked unconscious. When he woke up it was raining, his paws felt sticky from the scarlet pool if blood he had spread on the ground. "No!" He shouted as he raced towards the clearing but he was mortified by what be saw in the clearing...

Aftermath

Thunderfur entered the clearing, blood stained his paws as he walked through the pool of oozing scarlet liquids. Then it hit him. "Dad!!!" He yowled as he raced for the leaders den, ignoring the brambles scraping his fur and he jumped into the den. Tallstar, barely alive looked up at him, "Dad! What happened?" "Leopardstar rampaged into the camp, over some debt we owe them. Avenge me Thunderfur, avenge me" Tallstar grew silent. "No!" Thunderfur shouted as he hid his nose in his dad's fur...

Revenge

Thunderfur pulled up after about an hour of mourning his father, *avenge m*e his father had said. Thunderfur felt as if he had absorbed the sun. Filled with rage he ran out of camp, down the slope, and past the dead enemies, into Riverclan territory. He saw a patrol and ran towards them. "Look out!" The leader of the patrol shouted but, he was too slow. Thunderfur pounced on all except the leader, knocking them unconscious. He grabbed the leader with his claws and raked them down his side, "Where is the camp!?" Thunderfur shouted. At this point he didn't care if anyone heard him, he felt he could take on all 4 clans at once. "To the north, now let me go!" He shouted. "Of course" Thunderfur said pounding on the leaders head, knocking him out. Thunderfur didn't care they were alive, the leader, Leopardstar, of the clan was the first priority. He raced down the north side of the slope and ran into a small tabby warrior on guard for the camp. "Leave at once" the warrior said. "I think not!" Thunderfur jumped on the warrior, pounding on his chest, killing him. Thunderfur ran into the camp and his vision turned red, he growled, uncontrollably, Thunderfur jumped at the closest cat to him and mauled him. After clearing the clearing. He walked to the leader's den and smashed inside. Leopardstar jumped at the sudden entrance and the enemy in front of her. "I thought we wiped out your kind!" Leopardstar growled, "You killed my father. For no reason!! Now I am returning the favor!" "I'd like to see you try!" She mewed, obviously done talking. She sprang at Thunderfur, but she was too slow, Thunderfur dodged to the side and sprang ontop of her, biting into her neck. Leopardstar tried kicking him off, but her futile attempts were harmless to him. Thunderfur stepped off of her, and spat out her blood. Leopardstar was losing blood too quickly. "I noticed my apprentice's body wasent in the clearing, where is he!?" "I'll never tell you" she said as she slowly passed away. Thunderfur tore up the rest of the camp until he found Barkpaw in the elders den. Barkpaw was badly wounded, and needed to be carried if he was going anywhere. Thunderfur grabbed him by the scruff and brought him back to camp. After 2 hours Barkpaw woke up. "What happened?""We were raided, everyone except me and you were

killed" Barkpaw's eyes grew in surprise, then fear. "Where's mom?" Thunderfur looked down, simply afraid to frighten the small apprentice. "Don't worry, we'll rebuild Windclan, just me and you.
